
L'EMIGRAZIONE NEGLI STATI UNITI D'AMERICA

Una prima ricognizione

Angelo Di Gennaro

Premessa

I migranti economici, i richiedenti asilo e i clandestini di oggi stanno lì a ricordarcelo. Anche noi, a suo tempo - per non dire da tempo immemore, con la pastorizia, e più recentemente con l'emigrazione alla miniera di Monteneve (BZ) e poi a Milano, Torino, Roma o in altre città d'Italia, d'Europa e del mondo, solo per fare qualche esempio - abbiamo intrapreso viaggi avventurosi alla ricerca di una vita migliore.

Per quanto riguarda l'emigrazione da Scanno negli Stati Uniti d'America iniziamo la nostra ricognizione (è un viaggio anche questo?) con il presentare l'elenco contenuto nel sito *Ellis Island Immigration Museum*; un elenco, quindi, che è facilmente consultabile da chiunque.

Ecco i nominativi degli emigranti di Scanno e Frattura contenuti nell'elenco:
